

## CUSTOMER INFORMATION NOTICE

August 20, 2015

Dear Resident:

**RE: Electrical System Rebuild for Lakeshore Road West, Clarkson Road South, Missenden Crescent, Perseden Road, Dry Pine Gate, Wylan Court, Angela Crescent and Orr Road.**

Please be advised that Enersource Hydro Mississauga will be making important investments in the electrical infrastructure that supplies power to your neighbourhood.

A rebuild of the electrical distribution system is scheduled to begin in September 2015 and will last approximately 3 months. Work will include the replacement and relocation of the following: old, decaying poles with new concrete poles, power lines, transformers and associated hardware. To meet current Electrical Safety Authority and Canadian Standards Association requirements, it will be necessary to add new poles and associated hardware to locations where none currently exist.

We would also like to advise you that tree trimming will be required on trees that are near our electrical equipment. Trees will be pruned to ensure that a minimum three-year growth clearance and safe distance is maintained from the main power lines. Dead, defective and structurally weak branches may also require removal.

It is our intention to carry out this work with as little inconvenience to you as possible. However, during this period of construction, there may be some road access limitations while crews are working. Occasional power interruptions will also be required as crews transfer hydro lines. Notification of any planned power interruptions will be delivered to you in advance.

For more information on how this rebuild will affect you, please attend our upcoming Open House. Details are as follows:

**Wednesday, September 9, 2015  
Clarkson Community Centre – Library Room  
2475 Truscott Drive  
6:30 pm - 8:00 pm  
(Drop-in any time)**

If you have any questions before or during the course of this job, please contact Mark Bobanovic, Supervisor of Contractors & Forestry at 905-283-4256.

Sincerely,

A handwritten signature in blue ink, appearing to read "Laura Blondeau".
